### **GST Increases**

As you are aware GST increases to 15% on 1<sup>st</sup> October 2010.

We would like to offer you two choices in paying for the GST increase:

- 1) Keep your existing automatic payment as is, and we will invoice you for the GST difference to cover the six months to 31 March 2011.  
(Typically on a monthly fee of \$225 , this will be a one off payment of \$30.00)

We will advise you prior to April 2011 to increase your payment at that time.

- 2) Increase your automatic payment from 01 October 2010 onwards to the new GST inclusive amount.  
(Typically on a monthly fee of \$200 your payment of \$225 will increase to \$230)
